

Innovation in Joints, Evolution in Robotics.

cpc has transformed its expertise into humanoid-robot joint and arm modules, helping humanoid robot designers shorten development time, achieve reliable designs, and obtain exceptional performance. Combining flexibility with dependability, we are the ideal partner for building the next generation of humanoid robots.

Rotary Joint of Humanoid Robot

Compact, lightweight, and powerful —
featuring built-in torque sensing, high torque density,
EtherCAT connectivity, and a precise direct-drive design.
